1963 PRICE LIST

1

Hello Folks - Here we are again with our fenthieth season prices. Our dahlias are Penna. State Inspected and guaranteed to be free of disease, true to name or will be replaced free of charge. Our Special dahlia recommendations of large blooms for 1962 show winners proved almost 100% correct according to the leading show records. In past years we have originated and introduced several dahlias that scored 85 and better at the trial grounds which received a Certificate of Merit. Write to us if we can be of any help to you. Will gladly share any information that we have gained by our years of experience. For greater interest, enjoyment and something different, order a few newer dahlia varieties.

MEMBER of American Dahlia Society
National Capital Dahlia Society
Greater Pittsburgh Dahlia Society

Catalogues- Former patrons will receive our 1963 catalog free. Ever increasing costs of printing, labor and mailing has made it necessary to make a charge of 10c for new requests. We will amply repay you by including a free root of our choice selected from our regular list valued at 50c or over with all orders of \$5.00 or more. As a matter of economy we were compelled to take this action rather than increase our prices.

We will try and make our business relations a pleasure by the practice of the Golden Rule.

TERMS- Orders of \$5 or more shipped Postpaid. Add 35c to small orders to help to pay postage. Penna. orders add 4% sales tax. A deposit on orders appreciated. Full payment when shipped. Give desired shipping date. Prefer to ship March, April or May. Earlier if desired. No substitutions unless a second choice is given. #Each dahlia root will be inspected when packed and in good growing condition with a live eye or sprout showing.

POM PON.. Perfect round ball. Each bloom is
a show specimen. Very prolific. 75c each.

We grow many other Pom Pon dahlias not listed.

Mostly priced at .50c. Let us know your needs.

SINGLE DWARF BEDDING DAHLIAS

We slightly favor the dwarf single over the
double dwarf. A personal opinion but we find
our visitors agree with us on this point.

They are truly unique. Singles spread more
rapidly, remain compact and retain a height
of 1 foot. Why not try a few of each?

Pinch back branches once. Remove old blooms.
and seed pods. You will have blooms 30 days
after planting untill after frost.

Allard Stephens- orange. *Sissy-extra good yellow
Nellie Geering- red. *Pink Bedder- vivid pink.

Snowitie- white. *Murfillo-*rose with dark zone.

50c each Any 5 for \$1.95 Any 10 for \$3.00

SELECT DAHLIA SEED

Seed from the best large dahlia blooms. Plants will bloom the first year and produce roots. Our seed has produced originations that have won Certificates of Merit at the Trial Grounds. Enjoy the thrill of growing your own creation. We have a limited amount of seed this season.

20 seeds for \$1.00 50 seeds for \$2.25

100 seeds for \$4.00. Post Paid.

DOUBLE DWARF BEDDING DAHLIAS

Double dwarfs are a little larger than single. Slightly higher about 1½ ft. Blooms up to 3 in. in size. Contrasting colors, one yellow row and one red are are a very effective planting. Pink and white are also very attractive in solid plots. Dwarfs are rugged growers, Make good roots. Keep well and Require no stakes.
